

Level 1 Makaton Training

Monday 20th February 2022
or Tuesday 21st February 2022

9am-3.30pm

The Springfields Academy, Calne, SN11 0DS

Come and learn Makaton and improve your skills at supporting communication in the classroom.

We're delighted to be able to offer Level 1 Makaton Training. Makaton is a communication system which uses symbols, signs and speech to encourage and enable communication. Level 1 training provides a starting point to learning Makaton and is suitable for beginners. The training is particularly suitable for Teaching Assistants who are supporting communication in the classroom.

Come and learn Makaton in a small group- due to the practical nature of the course there is a maximum of 12 participants.

This is a one-day accredited course- please specify which date you wish to attend when booking. This accredited training is led by experienced Makaton trainer Nina Hawkins.

The cost of the training is £62pp and includes a manual and certificate. Tea and coffee is included in the price, but please bring your own lunch.

There will be the opportunity to progress onto Level 2 training in the summer.

To book your place, please contact:
